

Hi all,

How are you? I want to thank the Lord for a fun Epic Fall retreat we had at the end of September. Jamie Lam who is one of the national leaders for Epic and my Epic coach spoke on the book of Jonah and God used her messages to impact and encourage our students. PTL that we had 37 students, many freshmen, many new students to Epic, and had fun eating spam musubi and Hot Pot. One personal highlight was playing touch football with the guys. They say you shouldn't play basketball past 40 and I forgot what they said about football. It was fun and my knee got a little tweaked, but it's fine.

Please pray for us as we continue to share the gospel on campus and have six community groups on campus. We are also transitioning to discipling students as the first seven weeks of the semester was mostly focused on evangelism. Please pray for wisdom and blessing as we disciple students and future leaders. Please pray for their personal ministries and the heart to share the gospel, build believers in their faith, and to be a part of sending people to fulfill the Great Commission. Thanks again for your partnership and prayers in this gospel ministry.

God bless,

Jerry Wong
Epic Team Leader, Silicon Valley
