Subject: Praise and prayer items for Epic Movement, July 2020!!

Hi all,

Greetings in the name of Jesus. I hope all is well. This summer we started a new ministry called "Summer Epic." Normally for the summer, we go on a Mission's trip, but with Covid-19, all the Cru family mission trips were cancelled so we decided to have a weekly meeting for the summer with an emphasis on "walking by faith." It's been a blessing to learn, fellowship, and to be in community with one another. In addition to our weekly meeting, we are growing our discipleship ministry. Praise God for our Epic staff, Epic volunteers, and Epic student leaders. We are pleased that many of them and Epic students are involved in discipleship this summer. Please pray that we grow as disciples of Jesus and that we will reproduce as we fulfill the calls to discipleship.

As we look forward to the Fall and make plans, we are excited to share the gospel and to be back on campus. It looks like SJSU and UC Davis will be mostly online. We are in the middle of developing a video for both campuses with a student survey attached to it. We are trusting God to use that to meet and gather students to hear the gospel and to connect with Epic. Please pray for that. If you know of any college students at SJSU or UC Davis, please let us know and I'd like to ask you to send them our video and survey when it becomes available at the end of the month. In the meantime, pls pray for our Fall outreach. We are also eager to connect with students in person. We are mindful that there will be challenges and we also want to be safe and show practical wisdom in our interaction.

I want to thank you for your prayers and financial support. It means a lot to me as you give to the Lord. This summer, I'm trusting God to provide for some needs for my ministry with Epic. Please pray for me as I am in need of \$3500 one time and \$300 monthly. Here is a safe and secure giving link, <https://give.cru.org/0384800>

Thanks and God bless,

Jerry Wong
