Subject: Epic Movement, COVID update-Jerry, SJSU

Hi all,

Last week we were at our first Epic Spring retreat. Praise God for a great time of fellowship and learning from professionals in business, teaching, tech, and ministry. Since then, we have had many changes to our ministry because of COVID-19 and want to ask for your prayers. On Tuesday, SJSU canceled all in-person classes and next week we will have online classes only. On Thursday, SJSU Epic shifted to an online-only ministry for the next three weeks. In April, we will evaluate the next steps. That includes our weekly meetings, community groups, planning meetings, and discipleship. We need prayer to grow our ministry as we make this change. Pls, pray for creativity and flexibility.

One sad change is that Cru nationally canceled all mission trips from March-July 2020. That includes our Vision trip to the Philippines. Praise God for the 8 people from Hawaii and the 6 people from SJSU who wanted to go. We are sad to cancel our Vision trip and we are trusting God with His plan and where He will lead us next.

Thanks for your prayers and financial support. Please be safe and I'll be praying for you.

God bless,

Jerry Wong

Subject: Epic Movement, Jerry Wong-March 2020

Hi all,

I hope all is well and that you are experiencing God's favor and peace. This weekend, Epic at SJSU is having our first Spring retreat. The focus this weekend is preparing our students for life after graduation. We have people in different fields (tech, teaching, and business) coming to our retreat to serve on a panel. We want our grads to be excellent workers and to have an effective ministry in the workplace.

This semester we have been studying the topic of discipleship. We want to follow the Lord's Great Commission to make disciples of all nations. Please pray for us to reproduce, to embrace the 8 calls to discipleship, to be available to be on the journey of discipleship, and to follow the Lord's heart and direction for us corporately and individually.

We are thankful to the Lord to minister at UC Davis. We have been to campus six times and enjoy the outreach there. Our strategy has been pretty simple. We go to the Dining commons on campus, eat lunch and dinner, and share the gospel with Asian freshmen. Praise God that four students have become believers. We like the ministry there, but are still weighing the cost involved to officially launching a ministry there. We are trusting God for long term Epic staff to serve there.

Praise God for the 5-6 people from SJSU who have applied to go to the Philippines this summer and for others from Univ of Hawaii who also want to go. The US national director of Cru sent out an email today about the COVID-19 and as of today the PI is an open door and is considered a safe place to travel and minister. Please pray for an open door for our ministry from May 27-June 10. We will use common sense in sending a team and will be aligned with the direction of Cru and Epic as decide about our trip this summer.

Thanks for your prayers and financial support. You are appreciated!! This picture
is from the dining commons at UC Davis!

God bless,

Jerry Wong
